Play for an hour at Premier and then walk next door for pizza in the Fox's party room!

Our Birthday Parties include one hour of your choice of dancing, twirling, cheering, tumbling, or all four, as we teach combinations and play games. Our staff will then walk your group to Fox's for half an hour of pizza and cake! We make planning easy and best of all, you don't have to be responsible for clean up!

1.) **Choose a Theme:** Birthday Princess, High School Musical, Hip Hop Party and lots more! Feel free to suggest a fun theme!

2.) **Decide Who is Attending:** Parties are planned for 1–15 children, although for an additional cost, more children are welcome to join the fun.

3.) **Set the Date and Send the Invitation:** We provide invitations after you reserve your date.

We desire to make your child's birthday extra special with fun-filled memories.
